WIS 100 Reconstruction Project Update

The Wisconsin Department of Transportation (WisDOT) is underway with the reconstruction of WIS 100. The upcoming work and closures are scheduled for the next phase of this project:

Please note that all work is weather dependent and subject to change.

WIS 100 traffic switch:

- In early May, WIS 100 northbound traffic from just north of Rockne Avenue to I-43 will shift west while crews reconstruct the northbound lanes.
- In mid-May, northbound traffic from College Avenue to Rockne Avenue will shift west while crews reconstruct the northbound lanes.
- Two lanes of traffic will be maintained in each direction from College Avenue north to Edgerton Avenue through late fall.

Forest Home Avenue and Janesville Road roundabout construction:

- In mid-May, Forest Home Avenue westbound traffic from WIS 100 to S. Lilac Lane will be shifted to the eastbound lanes while crews begin the construction of the roundabout.
- In mid-May, Janesville Road westbound traffic from WIS 100 to Forest Home Avenue will switch to the eastbound lanes while crews begin the construction of the roundabout.
- Two lanes of traffic will be maintained eastbound on Forest Home Avenue, with one lane of traffic westbound through late fall.
- One lane of traffic will be maintained on eastbound Janesville Road, with one lane of traffic westbound through late fall.

Whitnall Edge Road scheduled to close long-term:

- In mid-May, Whitnall Edge Road at WIS 100 is scheduled to close long-term to traffic while crews reconstruct WIS 100 northbound lanes.

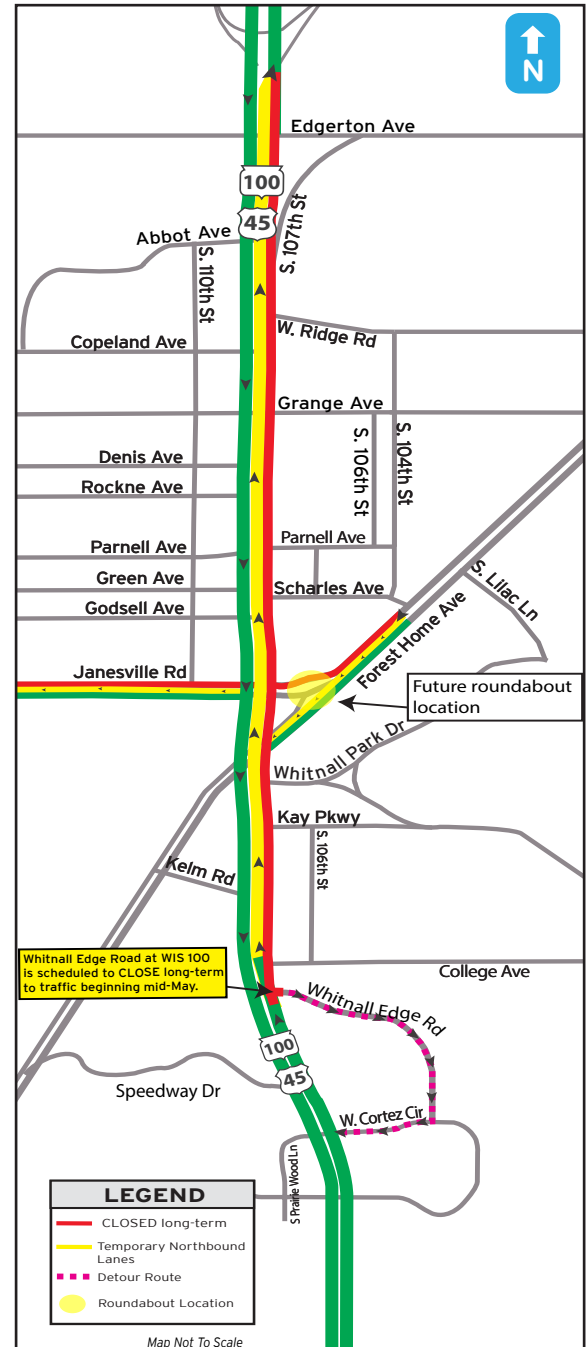

Alternate route: Motorists are encouraged to use W. Cortez Circle west to WIS 100 to get around the closure (See map for details).

The following intersections on WIS 100 will remain open during this work:

- Edgerton Avenue, Abbott Avenue, Grange Avenue, Scharles Avenue, Janesville Road, Forest Home Avenue, and College Avenue.

All other side roads within the project limits will be right-in/right-out access only.

The project teams thanks you for your patience and understanding throughout this project!
