

Good Saturday Morning Community Friends:

On behalf of the Friends of Hales Corners Park & Pool, the Village of Hales Corners and the surrounding communities, please join me in thanking my very good friends at Suburban Asphalt who cleared the temporary Alyson Dudek International Ice Rink in Hales Corners Park on Thursday, January 24, 2019.

The temperature was a balmy 14 degrees while Suburban Asphalt cleared the snow off of the rink! Please see the pictures below. The rink is open for skating. :)

Thanks again to Terry Buss, Ron LaPorte and Matt Freres! Job well done gentlemen!

Suburban Asphalt and their people are the best supporters and community partner that the Friends of Corners Park & Pool could have!

Please pass the word and consider utilizing Suburban Asphalt for your business and residential projects. They will not disappoint you!

Thank you for your time. Stay warm!

Sincerely,

Donald G. Schwartz
